

Greenwaste Disposal in Branson

City of Branson permits open burning of leaves, twigs and branches two inches or less in diameter. No permit is required under the following conditions:

1. Piles shall not exceed 125 cubic feet (five feet by five feet) in size.
2. No burning allowed when winds are in excess of 15 mph
3. Burning shall take place only between the hours of 7-5.
4. No burning allowed on any city street, road or alley.
5. No burning will be allowed on any city street, road or alley

Alternate greenwaste disposal has always been provided by a private company (Hansen's Tree Service). Their Hollister facility located in Journagan's Quarry closed in 2013.

To dispose of your greenwaste, please use the Hansen's facilities located in Reeds Spring and Ozark. Call 417-272-8733 for directions and information.

A second facility for greenwaste disposal is available at Sunny Hills Garden Center in Kirbyville. For directions and information call 417-339-4437.
