## MEDIA RELEASE

### Highway 76 Reduced to One Lane at Rosalee Street near Presleys' Theater During Daylight Hours Beginning January 23 thru January 27, 2017

**Branson, MO (January 22, 2017)** – Weather permitting, the City of Branson will reduce West Highway 76 to one lane in the just west of Rosalee Street near Presleys' Theater on Monday, January 23 for the installation of new waterline and underground utility conduits. This will affect traffic during daylight hours in that area through Friday, January 27 as part of the 76 Revitalization Project. All three lanes will be open to traffic during the evening hours.

Flagmen will be positioned at the east and west side of the construction zone in the 2900 block of Highway 76 to safely direct motorists through that area. Motorists should be mindful of construction workers and signage, and travel slowly through this area.

The City of Branson provides multiple options for receiving updates via email or Text/SMS messages delivered to mobile devices. Parties may receive immediate SMS notifications by subscribing at: <http://mo-branson.civicplus.com/list.aspx>.

Those who prefer social media updates may also find updates by "Following" [@CityOfBranson](https://twitter.com/CityOfBranson), on Twitter, and also at two locations on Facebook: [www.facebook.com/CityBranson](http://www.facebook.com/CityBranson) and [www.facebook.com/Branson.Missouri.9](http://www.facebook.com/Branson.Missouri.9).

The Fire Department's Emergency Management Division provides the **BransonALERTS** system to receive construction and traffic alerts during construction via email, text message, cell phone or landline phone. Registration is easy and FREE! Select **BransonALERTS** on the City web site at [www.BransonMo.gov](http://www.BransonMo.gov) and follow the prompts to sign up. Or, contact the Fire Department's Emergency Management Division at (417) 243-8584 for more information.
