City of Branson Tree Board Presents September Beautification Award

The City of Branson Tree Board is proud to present the October Beautification Award to The Center Stage Grill and Kaffee Hause, located at 1810 W. State Highway 76. The managing partners of the restaurant were excited to earn this award. "They were honored to be chosen and expressed how grateful they are that their landscape planning and hard work is being recognized," stated City Planner Amy Jackson. "They believe this award also recognized the work they have done not only helps their property stand out, but also their neighboring properties as well," added Jackson.

Center Stage Grill and Kaffee Hause provides a full service bakery, coffee shop and a restaurant with daily live entertainment. They proudly serve made-to-order items with local ingredients (made from scratch) including a wide selection of gluten-free options.

The focus of the City of Branson Tree Board is to positively emphasize the improvement of the community's public and commercial properties. However, they also encourage and support private property owners to participate with the effort to keep Branson beautiful. As a result, the Tree Board has reinitiated the Beautification Awards originally started by Blossoms of Branson. These awards will be presented on a monthly basis between April and October. The criteria for nominations are:

- A commercial property located within the Branson city limits
- Landscaped area must be highly visible to the general public

All nominations will be reviewed and monthly winners are selected by the Tree Board. In addition to the publicity of the award, winners will also receive a certificate and a sign placed on their property showcasing it as the Beautification Winner of that Month. Nominations may be submitted by contacting the City of Branson's Planning and Development Department, Perry Eckhardt at 417-337-8544 or peckhardt@bransonmo.gov.
